POTE'S NOTES

Greetings Suez Family and Friends,

We are living in a Historical moment (possibly somewhat hysterical too). I'm not going to comment much on the Corona virus since we all are very well aware of the happenings, except to say I wish you all the best.

I had many activities planned for Suez which now like everything else are on hold or cancelled. Luckily we can still visit one another through different types of communications such as the Scribblings. This publication has come under review by the Board in recent years due to the cost. There has been discussions about doing away with the printed version and going to Internet or Email. We spend around \$14,000.00 per year to publish and mail the Scribblings to our Nobility and friends. Some would argue there is not much return for our dollars. Others would

say many of our folks do not have a connection to Suez without the Scribblings. It is at this moment when we are all "sheltering in place" that the printed word seems more important than before. Something as simple as a community magazine, that ties us together when we can't come together as a group, is a comfort and pleasure to look forward to. I must say I enjoy looking at the Scribblings and I can say it won't be going away in the near future.

What about Suez activities? Well, the short term meetings are cancelled

until further notice but TSA, Imperial Session and other things are still scheduled awaiting the outcome of this viral illness to end. We will keep everyone informed the best we can. Until then stay home, stay well and God Bless us all.

In your service,
Gaylin E Kinsey
Potentate 2020

JUST ONE

Chaplains Corner

**Larry Tienen
Chaplain**

There Is Hope

What can you do when you sit around the house all day with nothing to do? Besides writing articles for the Scribblings and doing puzzles or watching TV, there isn't much you can do when you are trying to stay inside to keep from getting the coronavirus. I keep watching to see how the cases are progressing. We finally had a traveler drive into town to give us our first person to have the virus. I have got on the computer to watch the sermon on Sundays. I hope that this has ended by the time you get to read this article.

If you read the Old Testament you will see that the Israelites went through a lot changes in their lives during the years. Every time their life was going good they moved away from God and did things their way. That is when their lives starting going downhill. When things started going bad they returned their allegiance

to God and their lives turned better again.

Whether the scare of the virus is still going on, or the storm covering this country has finally passed, we need to remember our Israelite Friends. God is with us during the good and bad times in our lives. If we put our hope and trust in God, he will see us through ups and downs.

It is my prayer that all of you are doing well during this time and that this country of our has passed the time of crisis.

May God bless and keep you.

Chaplain Larry

Public Relations

**JB Cloud
Public Relations**

What an absolute crazy and scary time for all of us, including the Children, Family and Staff at our Hospitals. Please continue to pray for all of them as well as all of the Nobility. If any Noble, Lady or Widow is in need, please reach out

to someone at Suez. There is much up in the air concerning Imperial Session and other Shrine Events and the best advice I could give is to look at the Suez Facebook page for all of the info. You can find the link to it at the bottom of our website, SuezShriners.com. I have been super busy on the computer trying to keep posting as much news as I can get. The kids are out of school, Meetings, Socials and even Lodge meetings are cancelled as well as many events. Plus, with Easter right around the corner, I pray that this will all be over soon. Thank you to each and every one of you that read this and thank you for the kind words I get about how your Scribblings looks. You will notice that we do not have any pictures from the March Stated Meeting and several socials. That is because those meetings were called off due to Virus Concerns. We have messages from the Grand Lodge of Texas and the Imperial Potentate in this issue. And since we don't have a bunch locally to share, now is a great time to see what is going on at our hospitals with current and former patients. Enjoy and God Bless.

Shriners International Suez Shriners

Dear Nobles,

In times of uncertainty, our strong fraternal bonds lift and support us in ways we could not have imagined. During this unprecedented worldwide health crisis, we are concerned about the health of our families, our fraternal family, our communities, our Shriners Hospitals patients, families and staff, and of course, ourselves. Your leaders of Shriners International and Shriners Hospitals for Children are deeply concerned about each of you as well.

The members of the Joint Boards and the Executive Leadership Team of Shriners Hospitals for Children® have been working diligently on guidance for the COVID-19 coronavirus at both Shriners International Headquarters and each Shriners Hospitals for Children location. We commend the dedication and leadership efforts as they face the challenges before them. Our fraternal and hospital leaders are using technology, like never before, to stay abreast of this very fluid situation, offering guidance and support. Our medical teams are taking all necessary steps and fol-

lowing local, state, federal and worldwide recommendations to care for and protect our patients and their families.

We are aware of the many sacrifices and changes you have made to safeguard our fraternity members, families, and your communities by canceling meetings, events and fundraisers. I know that many of you have been forced to discontinue your valuable volunteer work providing patient transportation and other services at our hospitals. In our recent history, this seems unheard of but we share the legacy of our founders in responding to the needs of our communities, especially those needs of the children of our countries.

Many of you have asked about the status of the 2020 Imperial Session. The Director General of the 2020 Imperial Session and the staff of Shriners International are closely monitoring quickly changing developments as they may affect the upcoming Imperial Session. Of course, the safety of our Nobles and their families is our highest concern.

We are carefully reviewing the guidance provided by the Centers for Disease Control (CDC) and continue to work in close collaboration with the Kansas City Department of Public Health to minimize the risks associated with this virus.

Each individual should evaluate their own health situation in connection with the latest information provided by public health professionals in determining whether they should travel. We have every expectation that the 2020 Imperial Session will be an outstanding and extremely positive experience.

We anticipate providing additional updates and information related to Imperial Session 2020 as developments warrant.

Nobles, our hopefulness will make this difficult time more bearable. Your actions and concern during this time can make a difference; we encourage you to care for each other like no other time. Each of you are vital to our fraternity and philanthropy. We have always been in awe of the selfless dedication of our members; We know that these challenges will only make us stronger.

Yours in the faith,

Jeff Sowder - Imperial Potentate

Jerry Gann - Chairman,
Board of Trustees, Shriners
Hospitals for Children.

The Grand Lodge
of
TEXAS

The COVID-19 pandemic has caused substantial and material disruptions in the lives of all Americans, including the activities of Texas Masonic Lodges. For this reason, I issued an Order cancelling all gatherings of Texas Masons which were anticipated to exceed ten in number. This Order included stated meetings of Lodges for an indefinite period of time unless, in the discretion of the officers and members of the Lodge, the meeting would be in the best interest of the Lodge and, most importantly, would not pose a risk to the health of those attending.

Since that time, the Governor of Texas and state public health officials have strongly discouraged all meetings of ten or more individuals. At this time, it is not known when the pandemic will end or whether the conditions that are now occurring in Texas will worsen.

The charge of the Worshipful Master given and accepted at every installation requires, among other things, that he “cheerfully conform to the laws of the country in which he resides”. The action taken in this proclamation is consistent with the above affirmation.

Because of danger to human life that presently exists, and the directions of various officials of the State of Texas concerning the risks of holding meetings, I am today issuing the following Proclamation:

It is ORDERED that no Texas Lodge may hold a stated or called meeting until this order is rescinded by subsequent proclamation of the Grand Master.

I and your Grand Lodge Trustees are well aware that this Order will cause substantial disruption in the operations of Texas Lodges, including perhaps the election and installation of Lodge officers. However, the existing world-wide crisis requires the Grand Lodge of Texas to take extraordinary action to protect the lives of its members and follow the lawful directives of Federal, State, and local authorities.

Paul D. Underwood

Grand Master of Texas

Abilene Thank You

The Abilene Shrine Club purchased 10 Round Tables, 10 Table Covers and 64 folding chairs this weekend thanks to the donations of many folks. We want to say Thank you.

Just about one year ago, this very special young lady, and former patient, paid our kids a very fun and memorable visit! Let's give a shout out to Harli White, whose racing season is also on hold right now. She is a beacon of light and inspiration for all of those around her - a true CHAMPION! Wishing you the very best when you're able to restart that engine!!

Provost Guard

Sadly, due to the Covid-19 virus, the Provost Guard State Competition that was slated to be held in Abilene the last weekend in March was cancelled. We will pass along word if they decide to reschedule.

Amid the stress and uncertainty in our lives during the COVID-19 health care crisis, the care locations of Shriners Hospitals for Children want to provide a bright spot of positivity – along with important health information – to your social feed. Check out Shriners Hospitals for Children on Facebook for their #SHCBrightSpot feature that we hope will bring a smile or lighten your day. Please share with someone who needs to smile and use the hashtag #SHCBrightSpot. We will get through this together!

Thank you to our teams throughout our entire Shriners Hospitals for Children health care system and to the medical professionals, first responders, researchers and scientists on the front lines in communities around the world who are keeping us safe.

Former Shriners Hospitals for Children – Salt Lake City patient Daniela, who is a now doctor, calls the care and her team at Shriners Hospitals for Children life-changing. Soon she will start her journey to becoming an orthopaedic surgeon.

Rilynn's First Pair of Shoes

Rilynn became a patient at Shriners Hospitals for Children® when just six months old for a condition known as tibial hemimelia. The tibia bone in both of her legs was shortened or absent, making mobility difficult as Rilynn grew. But Shriners Hospitals for Children — Portland knew just how to help.

The doctors fitted Rilynn with hard sockets, known as “stubbies,” which allowed her to learn to walk and even helped her express her bubbly personality. Her stubbies were specially designed to reflect her favorite Disney character — The Little Mermaid!

Today, Rilynn is five years old, and ready to take the next big step in her journey. She's graduating from her stubbies to what she calls “tall legs” — full-size prostheses created by our team, thanks to your generous support.

With her new prostheses, which are also decorated with The Little Mermaid design, Rilynn is as tall as other children her age. She has articulated knees and feet and is ready for a brand-new experience: shoe shopping! When asked what activity she is most excited to do with her new prosthetic legs, Rilynn replied, “I'm going shoe shopping!”

“She's asking everyone she knows to take her shoe shopping,” said Rilynn's dad. “She's going to end up with the most shoes of anyone I know!”

Whether it's her first pair of shoes or her first day of kindergarten, Shriners Hospitals for Children has given Rilynn the care and confidence she needs to live a happy, healthy life. We can't wait to see what else this incredible little girl accomplishes

The Houston Roughnecks took their energy off the field and into our hospital!

Players from the #XFL team spent their off-day with Shriners patients, cheering them on during rehab sessions and visiting the inpatient unit and outpatient clinic. They brought so much joy and encouragement to the kids. Thank you for all the heartfelt interactions and for making their day so special!

Donatello was born with polydactyly, which, in his case, means that he was born with 6 toes on each foot. He recently underwent surgery with Jeremy Bauer, M.D. at Shriners Hospitals for Children - Portland to correct the condition, and his mom reports that he was very brave! Way to go, Donatello!

Midland Shrine Club

The Midland Shrine Club did not get to have their Club Social in March due to the Covid-19 virus advisories. They look forward to getting back together and sharing news and pictures soon. Make sure to look up Midland Shrine Club on Facebook.

Occupational therapists at Shriners Hospitals for Children - Houston incorporate yoga exercise as part of their rehabilitation program. The kids were engaged throughout the session!

Abilene Shrine Club

Our March Social had a great turnout. Thanks to our Divan for visiting. We all enjoyed the new tables and chairs. And, the family of our Galveston Patient, Miss Jesse, provided the meal for us. Rick Jones won our Bingo game and took home some big bucks. Our next goal is to continue raising money to remodel both bathrooms. Join us on the 1st Monday of every Month in Abilene, but probably not in April. We also have our own Facebook page at www.facebook.com/abileneshrineclub

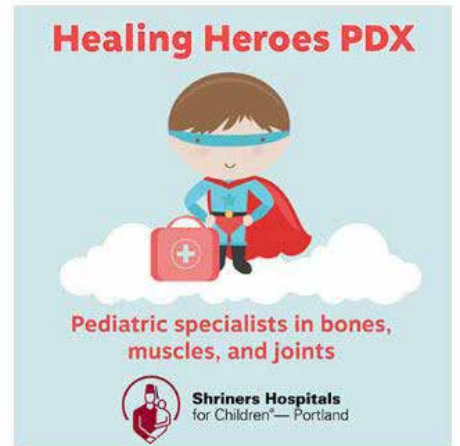

JUST ONE Who do you know that would make a good Shrine Mason? **JUST ONE**

The Nolan County Shrine Club did get to ride in the Sweetwater Rattlesnake Roundup Parade and had a blast.

Today's #SHCBrightSpot is from Greenville Shriners Hospital. Arthrogryposis is a number of rare, nonprogressive muscle disorders causing stiff joints and abnormal development of muscles. With therapy and other procedures, Brayden has made bounds of progress throughout her time at Shriners Hospitals for Children — Greenville, Her grandmother calls her "Miss Independent."

Podcasts are a convenient way to learn about topics of interest. Shriners Hospitals for Children has two great podcasts focusing on children's orthopaedics & complex medical conditions Pediatric Specialty Care from Shriners Hospitals for Children - Chicago & Healing Heroes from Shriners Hospitals for Children - Portland are available on your favorite #podcast platform.

March was National Nutrition Month and Shriners Hospitals for Children – Houston is super lucky to have such an amazing Food and Nutrition team that is always ready to serve our patients and their families with so much love.

HAPPY BIRTHDAY

Memorial Donations to Suez Temple

Donated By.....In Memory Of
Shirley Culp Karen Menchew

In a medical emergency every second counts... especially when you are far away from adequate medical care.

In the event of a serious emergency, whether you are on the highway, on the job, on the football field, hunting, at the ranch, or at home you can depend on the dedicated pilots and flight crew at **Shannon AirMed 1**, the local AirMed Care Network provider, to be there. They are on duty 24 hours a day, 7 days a week, 356 days a year.

We have been providing this life saving service to rural communities since 1985. In recent years we have partnered with some of the leading air ambulance companies in the country and now provide service across 38 states, with 320 fixed wing and helicopter base locations across the county.

Give your family the peace of mind they deserve, become a AirMedCare Network member for as little as \$65 a year, and have no out of pocket costs should you need to be flown due to a medical emergency.

For more information call
Jade Hambright at 325-213-5251
