POTE'S NOTES

"I am a lucky guy". I suppose the appropriate term would be that I am "Blessed". It seems my entire adult life when I volunteer to assist with an organization, or a cause I'm asked to run for an office and eventually I wind up in charge. Not sure how that happens, but it has always been my pleasure to help in any way that I can. My goal as a leader is to leave it better than when I found it. My time on the Suez Divan is quickly coming to a close and I hope that what I have experienced and contributed to has been beneficial to the Shriners and our Temple. The gentlemen who sacrifice their time and lives for five years to lead and direct our fraternity and philanthropy need to be remembered for what they do. When we have elections for our officers at Suez, every Noble voting needs to understand just exactly "What" and "Who" you are voting for. What you are voting for comes down to, that someone is taking care of the responsibilities of your organization that requires skills and understanding of finances, decisions, planning, implementation and actions. Who you are voting for decides

the personality of your Shrine for years to come. In December we will have our annual elections of Officers as well as electing two of our Voting Representatives for the Imperial Session. When a Noble decides he wants to run for the position of Oriental Guide he has decided that for the next five years he is dedicating his time, his life and often his money to the preservation and advancing of his Temple and for the Shriners cause. So please come and vote. This assures the members of your Divan that they have your confidence and your support.

Becoming a Past Potentate is a title that can never be taken away from you and having the privilege to be forever recognized as "Illustrious Sir" will forever be a badge of honor. I want to thank all of our active Suez Past Potentates who have stepped up and continue to contribute their time and energy to make our Temple the best. Nearly every important committee and service that our Temple has are chaired by a Past Potentate. When you become a Past Potentate that's when you start the hard work. When you come to a meeting and we recognize Past Potentates and their

Ladies just remember they too have sacrificed their time and energy supporting our Temple, and they still do. Thank you Illustrious Sirs.

Don't miss our January Stated meeting, it will be a good one. We will be having our officer installation and a reception honoring our outgoing and incoming Potentates. I hope everyone has a Merry Christmas and a Prosperous New Year.

Yours in Faith and Service
Joel Lemley-Potentate

The Recorder's Record,

Happy Holiday Season to all Nobles and their Ladies,

Part of my goal when I first became your Recorder was to be an asset to your needs. I have not sent out monthly memos, written articles of news that you know about but have quietly tried to help all our members and organizations with what they need. We can all be agents of change for Suez and if we all work together pulling on the rope of accomplishments, we can move forward.

I am here to remind you; Suez Shrine is not the brick-and-mortar building in San Angelo but the building inside each and everyone of us who work to make Suez such a wonderful place to be a Shriner and work toward our philanthropy. This year started by having fun, will end in fun inside the Shrine and I look forward to helping all Shriners and Ladies in the next year. Give thanks for your blessing.

Yours in Faith,
James Caillouet
Recorder

Hello Everyone,

At this time of year, it is very normal for us to look forward to our 2023 Shrine year. We are planning schedules, budgets, and activities that must be put in place. Let us not be sidetracked by these very important procedures. The 2022 Shrine year is not yet complete. We still have activities coming up such as our 1st Annual Fez-tival of Trees, December 1-3, election of officers December 19th, and socials prior to January 1, 2023.

Our officers and members have put in place several activities that we hope can be continued by producing fun activities, fundraising and much needed operating funds. These activities require several hours of work by the officers and membership. I would like to encourage all of us to get involved with clubs, units, and Temple activities. It will require all of us to ensure that Suez Shrine Center remains a place of fun and success.

May God Bless this Country, its Citizens, and Suez Shrine.

Yours in Faith,
Leon Brooks
Treasurer

Abilene Shrine Club

The Abilene Shrine Club had our Thanksgiving dinner to honor our widows on Monday, November 7th. Noble Mike Sherman and his Lady, Becca provided the main course of turkey and ham, along with sides and desserts provided by the Nobility. We enjoyed honoring our widows and collected new toys to donate to the Suez FEZtival of Trees in December.

We will have our December Christmas Social on Monday, December 5th, when we will elect our officers for the 2023 Shrine year. Due to a building rental, we will not host a New Years Eve celebration at the Abilene Shrine Club this year.

Thank you to all the Nobles and families who supported the Abilene Shrine Club in 2022. We look forward to serving alongside you in 2023 as we support Shriners Children's Texas!

Merry Christmas and Happy New Year!!

Concho Shrine Club

Happy Holiday Season to all Nobles and their Ladies,

The Concho Shrine Club ended their year with a lake party on Lake Nasworthy. It was hosted by Noble Bob Rogers. To thank him, he was elected President of the Concho Shrine Club to replace the excellent year Noble Joseph Vargas and his lady Norma enjoyed. Other Officers elected and installed in this meeting were James Caillouet as Secretary, Don Bunnell (PP) as Treasurer. Like many clubs we have lost members to the Black Camel and work-related relocations but plan to go forward looking for fun, fellowship and supporting our Suez Temple in the coming year.

Our annual Chili-Cookoff fund raiser will be the 3rd weekend of March and hopefully we will be able to do two of those this year. Thank you to all our members who support our Club, and we look forward to supporting Suez Shriners in the coming year. Give thanks for your blessing.

Yours in Faith,
James Caillouet

WOMEN IMPACTING CARE

SUPPORTING SHRINERS CHILDREN'S™

FIRST LADY JENNIFER "JJ" CRAVEN

CHAIR FOR 2022-2023

Women Impacting Care, chaired by Shriners International's First Lady Jennifer Craven, is an annual program dedicated to supporting Shriners Children's mission to change and improve lives. This year's emphasis focuses on the extraordinary care Shriners Children's offers for pediatric sports-related injuries by bringing awareness of the sports-related conditions treated and by helping potential patients and families learn how to access this care. The inspiring message, *The World is Your Oyster*, shows how our patients' grit and determination come together with the expertise of our healthcare specialists to overcome challenges and create endless possibilities for success and recovery.

HELP FOR SPORTS INJURIES

Many young people participate in sports-related endeavors, from team sports to individual activities, and unfortunately, sometimes injuries result. Whether they occur on the playing field or on the playground, those injuries need to be treated differently from similar injuries in adults. The medical teams at Shriners Children's are especially attuned to an athlete's concerns, as well as the differences between an adult's body and that of a young, still-growing athlete.

"Everyone enjoys sports," Lady JJ said. "That commonality of sports puts all of us on the same team. We can all relate to that kind of injury, often unexpected. And to know that world-class pediatric care is available from Shriners Children's is such a comfort to families."

Shriners Children's is one of the largest networks of hospitals, medical centers and outpatient facilities in North America that specializes in pediatric orthopedics, giving us a truly unique vantage point when it comes to evaluating and treating pediatric sports injuries.

CUSTOM CARE PLANS

Shriners Children's offers care for broken bones, sprains, strains, twists, tears and more. From fracture care and casting to surgery and rehabilitation for injuries involving ligaments, tendons, joints and tissues, our medical teams design custom care plans that are complemented by our physical, occupational and recreational therapy programs. Families appreciate the convenience of a single source for treatment, and children benefit from the continuity of care and collaboration.

"What makes our healthcare system distinct compared to other traditional sports injury specialists is our innovative and comprehensive treatment options centering around each patient's individual needs and goals," Lady JJ said.

Shriners Children's integrates the latest technology to help patients, from EOS imaging systems that emit much less radiation than standard X-rays or CT scans to sophisticated motion analysis that provides information about a patient's needs and progress.

Sometimes young athletes are wary of seeking treatment for pain or injuries, because they are afraid they won't be allowed to play. However, surgery and long recovery times are not always necessary. And when surgery is the best or only option, our clinical teams understand what an athlete is facing and work as a team to get them back in competing shape as quickly and safely as possible.

"Patients and their families often look to community pediatricians and specialists when injuries occur," Lady JJ said. "However, I want them to know that amazing, family-centered care is available at Shriners Children's. All they have to do is call toll-free, **1-800-235-5055** or visit shrinerschildrens.org."

THE WORLD IS YOUR OYSTER

First Lady JJ invites you to join her in making an impact in the lives of our patients. Donors who would like to support Women Impacting Care may purchase symbolic *The World is Your Oyster* products or make donations online.

Thank you for your compassion, generosity and support of Shriners Children's.

- (d) Notice. At least one week prior to the annual meeting or any election, the temple Recorder shall mail to each member a notice thereof containing this section.

ANNUAL ELECTION OF OFFICERS: Oriental Guide Must Be Selected Wisely

When the members of a Shrine Temple elect a Noble to the Office of Oriental Guide, they are virtually starting that Noble through the Divan Line on the assumption that he will prove qualified for and worthy of advancement to the high Office of Illustrious Potentate. Hence it is quite evident that the nomination for Oriental Guide should be based upon thorough and accurate evaluation of character, ability, prestige, interest and experience.

A Noble can be a good fellow, a hard worker, and a loyal Shriner ... and yet lack the basic qualification which make a good Potentate. Unless a Noble is fully qualified for the job, he is unfair both to himself and to his Temple in seeking the Office or in permitting his fellow Nobles to support and promote his candidacy.

Each Shrine Temple needs and requires able, high-type leadership. The normal starting point of that leadership is the office of Oriental Guide. The following Check List may prove helpful in evaluating potential candidates for the Office of Oriental Guide. However, no thinking man would be so naive or presumptuous as to believe that anyone Noble could possibly embody all of the virtues, talents, and qualifications which are set forth in this Check List. Nevertheless the List has practical value for self-evaluation by the Nobles whose ultimate aspiration in the Office of Illustrious

Potentate ... And for advance evaluation of potential candidates by the voting members.

1. He should have good business judgment. He should be friendly and outgoing, a good mixer.
2. He should have the ability to express himself clearly, in language that will make us proud of him, rather than apologetic.
3. He should present an imposing personal appearance.
4. He should be able to hold his own and advance the interest of his Temple and Freemasonry in high places-as well as among the humble.
5. He should be a devoted Mason, and constantly promote the interest of Freemasonry everywhere.
6. He should be proud, yet humble.
7. He should have good character and a past open to investigation.
8. He should be a leader, have good standing in his community and be influential in its affairs.
9. He should be financially secure.
10. He should be in good health, full of energy and vitality.
11. He should be able to devote ample time to his duties.
12. He should be a man who, when he appears anywhere in public, you will be proud of and not apologetic for his shortcomings.
13. His wife should be able to understand his devotion to duty; realize that he is Potentate, and not she: be able to dress and wear appropriate clothing, and be familiar with the social amenities. Remember, she is destined to become Suez First Lady.

Nominations for Oriental Guide should be based upon thorough and accurate evaluation of character, ability and interest.

Remember, you are electing your spokesman and standard bearer and the one who will represent you throughout the world.

We have great talent in our Temple. Let us seek out the best man we can find who is willing to make the sacrifice. And it requires great sacrifice!

Many Temples have suffered from inferior Potentates because of hasty judgement and oversight of qualifications when selecting Oriental Guides.

To be Potentate of Suez is a great honor. With that honor goes tremendous responsibility! Suez has great talent in its ranks. Let's seek it! The

job requires and entails a lot of time-consuming, energy-consuming WORK.

Let's be fair and sincere. Let's get the very best we can find!
