Potentate Message

Nobles and Ladies,

Suez just had its last fundraiser of the year with the Fez-Tival of Trees. I would like to thank everyone that came out and helped, from Tree Sponsors, money donations, to the ones that help cook, play Santa, the elves and help set everything up to make this a successful fundraiser. Biggest thanks to Stacey Smith and Shelly Bunnell.

Big news! Suez has received 2 transportation vans, donated from Sharon Shrine in Tyler, Texas. This will help us better serve our patients by taking them to our hospitals. If any Noble is interested in being a transport driver to help transport the kids to the hospitals, please contact the Suez Temple.

What a whirlwind of a year! It has been crazy for Lady Marillyn and I traveling for the shrine, Divan visits, TSA, Imperial and chasing two kids for their school events. It went so fast, but we couldn't have done it this year without the help from Suez volunteers, Divan, and don't forget the Past Potentates, helping us. It has been an Honor and a blessing serving as your Potentate and First Lady this year. We have had a great time seeing old friends, making new ones and being on this adventure has led us to meet people that will become our lifelong friends. We can't Thank You enough for letting us be a part of such an amazing group of people. We look forward to many more adventures with Suez and can't wait to see what the future holds.

Yours in the Faith,

Potentate Josh Scott
and Lady Marilyn

Merry Christmas

JULY 12-16

Shriners Children's Texas Update – December 2025

A message of progress, partnership, and purpose

Dear Nobles and Shrine Temples,

Thank you for your steadfast commitment to Shriners Children's Texas. Your support continues to make a trans-formative difference in the lives of children and families across our region. We're pleased to share the latest highlights from your hospital in Galveston.

 **Patient Growth on the Rise** – We are pleased to announce a 12% increase in new patients compared to last year. This year's growth has been driven by local efforts, demonstrating strong progress in serving more children throughout Texas and beyond.

 **Patient Access Tools Coming Soon** – Our system is launching a new scheduling tool to help families and Shriners quickly know which provider treats a specific condition. Although we are not yet active in Texas, we are preparing for a go-live in May 2026.

 **Philanthropy Highlights** – Thanks to donors like you - We've received over \$6 million in gifts this year. The "Trot for Love" event raised ~\$90,000 and brought more than 200 walkers together in joyful support of our kids.

 **Community Spotlight** – Our Marketing Team has been sharing the stories of our amazing care by exhibiting at the Texas School Nurse Conference, participating in local holiday parades, and reached nearly 95 million viewers and readers through stories that reflect the impact of our care.

 **Save the Date!** Please join us for our Annual Shriners Children's Mardi Gras Parade – February 15, 2025 – 12 PM

Every visit, every surgery, every success story starts with you. Thank you for the time, heart, and generosity you continue to pour into our mission.

With appreciation,

Mary Glendening
Hospital Administrator
Shriners Children's Texas

The Most Amazing Care
ANYWHERE

Meet our Patient of the Month, Yudelkis! She is working with our rehab team who shares that Yudelkis enjoys running and bike riding. We have been working on progressing these activities while also focusing on her goals to navigate stairs independently and improve her balance. She is making great progress!

Accepting insurance, Medicaid, and the uninsured.

COMPLEX CONDITIONS REQUIRE ADVANCED LEVEL CARE.

At Shriners Children's Texas, we treat complex orthopedic disorders every day, conditions many pediatric providers rarely see, such as arthrogyrosis, osteogenesis imperfecta, and achondroplasia. That makes Shriners Children's Texas an ideal option for the most challenging pediatric orthopedic conditions.

Shriners Children's Texas provides exceptional care for children with conditions including:

- Limb Discrepancies and Deficiencies
- Scoliosis
- Cerebral Palsy
- Spina Bifida
- Osteogenesis Imperfecta
- Arthrogyrosis
- Metabolic Bone Disease
- Fractures
- Sports Injuries
