Greeting Suez Family and Friends

Finally Fall is upon us with a taste of Winter. It was very early for the sleet and snow we received but the moisture was welcomed. This time of the year we all begin to prep for the Holidays and wrap up the end of the year. First Lady Sheila and I with help from some are putting the Fall Ceremonial together. I am really looking forward to having our Suez Family come together and with only two weeks (as I write this) it'll be here quickly. Since the ceremonial is the 13th and 14th our normally scheduled Stated Meeting the 15th is cancelled. There are many small details to finish but I am expecting a very fun time. I do hope everyone that can will come.

The elections will be over by the time you read this but our own Suez Divan elections will be coming in December. I hope your candidate won in the national races but either way please plan to attend the December meeting and support the 2021 Divan.

I would urge anyone that has photos of our Suez group at club meetings, parades or other events please submit them to JB Cloud. We all would enjoy more hometown info or news in the Scribblings so take some pictures and

send them in.

Not much else to say at the moment except I hope to see you all soon, safe and well. May God bless us all.

Fraternally Yours, Gaylin E Kinsey Potentate 2020 Suez Shriners

#### Feast or Famine

I was driving home the other day after running some errands. As I was traveling down Concho I could not help but notice the Geese that where out in the river and those scattering around looking for food. Those in the river were smoothly traveling in one direction their feet paddling fast under the water. That kind of reminds me of people and their different means of travel. Some of the people are racing from one place to another with disregard of the speed limit. Then there are those in the food store who block the aisle with two baskets and are carrying on a conversation while they look for food.

We received a phone call from my grandson the other day. He informed us that they would be here for Thanksgiving. That is a change of plans and once more we would not have to cook. They were bringing all the food with them. That would be easy on Grandma.

That reminds me of Genesis 47 the seven-year drought that was going to hit Egypt. Joseph told the Pharaoh to put all his grain that was collected into storage bins, When the drought struck people were scattered all around searching for food. When Josephs family came for food, they did not recognize him, and he told them to go and get their father. The Pharaoh put the in in charge of his livestock. When the drought was over Joseph distributed grain to all who needed it.

We have many people during this time, who are seeking for food. Thank goodness some people had the foresight to see that there should be places to feed people. We have the Food bank, HEB with the Thanksgiving dinner, churches who donate food. If you know where to find it there is food available.

We hope you have plenty of food around your table this Thanksgiving. As you give your blessing do not forget those whose hands that made it. That includes the farmers who grew the food, to God who gave the earth to grow it.

May God Bless You Larry

## Houston

We are asking Temples not to accept any toys for hospital patients this year as the hospital is closing Dec 31st and we have many more toys than patients. If any club, unit or the Temple wishes to do anything for the patients this holiday season, it was suggested that they collect gift cards as the families can always use them.

## Abilene Shrine Club

The Abilene Club met on October 5 with a great crowd. We discussed painting our parade float, which is now done thanks to Anthony & Erin Bennett, Nancy Dillon, Julie Williamson and JB Cloud. Huge thanks to Abilene Club President and Suez OG, Kim

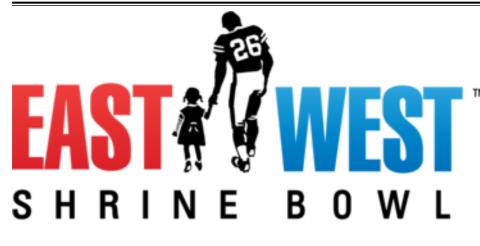

Williamson and his Lady Julie for painting the inside of our club. The kids area has an awesome new look. We also thank our donors again for allowing us to get new Round Tables and chairs. Our club is going to look a tad different over the next month as we are talking about more upgrades and moving lots of pictures around. We also had an electrician out to take measurements for us to run wire/ power to our Bar and to our 2nd stove. This will surely help increase our rentals. A big tip of the hat to Noble Anthony Bennett and his Lady, Past

Queen Erin Bennett who have done so much for our club and managing our building rentals. We truly appreciate all that you do. We are also blessed to have had a recent anonymous donation (THANK YOU). Elections for us are Dec 7th. Come see us. Join us on the 1st Monday of every Month in Abilene. We also have our own Facebook page at www.facebook.com/abileneshrineclub

# More than just a game

My Fellow Nobles,

It is with a heavy heart that I must inform you that we have cancelled the 2021 East-West Shrine BowI<sup>™</sup> due to challenges presented by COVID-19.

This decision was extremely difficult to make. After consulting with our key partner – the NFL – along with countless leaders within the intercollegiate athletics community and the professional and college scouting community, we came to the conclusion that the risks were too great for the upcoming game. Once the NFL cancelled the Pro Bowl earlier this month, it became even more clear that we would need to take a one-year pause.

Although it is heart-breaking for us as Shriners, I know you will all agree that the safety and well-being of our athletes and attendees is our overriding concern.

Bob Roller, our executive director of the East-West Shrine Bowl, has been working on this issue for months. "It's terribly disappointing to have to cancel this year's game, but there are so many issues involved with bringing in approximately 130 players and 25 NFL coaches from every corner of the United States and Canada," he said. "It's difficult enough currently for these college teams to provide some sort of a bubble during the regular season, but our game occurs after all players have gone home for the holidays and presented too many potential issues for this one year."

Players eligible for the 2021 game will still receive formal invitations and become a part of the historical 96-year tradition.

We all look forward to when this pandemic is over and we can get back to doing all the things we love, including this well-loved Shriners tradition, the East-West Shrine Bowl.

Yours in the Faith, James R. "Jim" Smith Imperial Potentate

Shriners Hospitals for Children earned 6 Best Children's Hospital rankings by U.S. News & World Report in 2020. That is something that we should all be proud of. Congratulations.

Congratulations to Martin Laird on being the 38th Shriners Hospitals for Children Open Champion in an exciting finish in Las Vegas, Nevada.

# Introducing the New be**ashrinernow**.com

#### Dear Fellow Nobles,

Being a Shriner has been one of the most rewarding experiences of my life. I love our Fraternity and all the opportunities it affords me: To be part of a selfless, compassionate brotherhood; to improve the world and our home communities; and to make incredible differences in the lives of children. And through it all, to have fun!

Sharing these experiences with other good men is why we work so hard to increase our membership numbers.

So I'm especially pleased to let you know that the all-new, revamped BeAShrinerNow. com website has launched, making it easier than ever for all of us to bring new members into our fraternity.

Our Shriners International marketing and membership teams have worked hard to

make this tool attractive, effective and very easy to use. In addition, we've aimed to train at least one Noble from each Temple on the ins and outs of the new website, so if you have questions, there should be someone in your Temple who can help.

Together as brothers, we improve lives and communities, and we enjoy having fun together all the while. I can't wait to start using this amazing new website to help us spread the word and bring even more men of good character into our Fraternity.

Yours in the faith, James R. "Jim" Smith Imperial Potentate

Valerie had a blast making sand art in occupational therapy! She has been progressing well in the inpatient rehabilitation unit, getting stronger and regaining her skills through physical, occupational, recreational and speech therapies. Shriners Houston's rehabilitation services are multi-leveled to meet the unique needs of each patient. Our goal is to improve the function and enjoyment of life for patients and help them master daily skills to function as independently as possible.

What is the Fun and Fellowship Competition?

The Fun and Fellowship Competition is designed to help bring fun and fellowship back to our fraternity, and to recognize those who have come up with solutions to having fun during the pandemic.

How do I enter the competition?

Fill out the short form to enter. There is no limit to the number of activities and/or ideas you can submit, as long as each submission is unique. Entries will be accepted from Oct. 27 – Dec. 16, 2020.

Who can enter? Current members of Shriners International can enter the competition. What are the competition categories?

-Adapted an existing temple, club or unit event to have fun during the pandemic

-Created a new temple, club or unit event, or formed a new unit to have fun during the pandemic

-Propose an entirely new idea on how to have fun, which has not yet occurred

How will the finalists by selected?

After the submission deadline has passed, the Fun and Fellowship Council will evaluate each entry according to a judging rubric and will narrow the entries to the top five finalists within each of the three categories.

What happens after the finalists are chosen?

Each of the 15 finalists will be asked to record a short video (no more than 30 seconds) explaining their unit/club/event/idea. The videos will be uploaded to a platform and posted online and on social media. Viewers will then have the chance to watch the videos and vote for their favorite activity/idea in each of the three categories.

Who can vote?

We encourage all members of our extended Shriners family to vote, including nobles, ladies, family members, friends and members of affiliated Masonic organizations and ladies' organizations. Please note: you can only vote one time in each category. The voting will take place from Feb. 11 – March 25, 2021.

How will the winners be announced and acknowledged?

Shriners International will announce the first, second and third place winners in each category via email and social media. Winners will also be acknowledged at Imperial Session during the Public Opening in Houston, Texas, on July 4, 2021. All winners will receive a one-of-a-kind Fun and Fellowship award and a plaque.

Our friends at Aloha Temple in Hawaii teamed up to get candy bags ready to hand out for Halloween at the Aloha Stadium Trunk or Treat event. Aloha Nobles and Employees at Shriners Children's Honolulu all pitched in to help

When the Shriners International held their national convention in Washington DC in June of 1923, the Washington DC Grand Lodge welcomed visitors with a Grand Masonic Parade down Pennssylvania Avenue. The tradition goes back to 1793 when President George Washington marched with Masons to lay the US Capitol Cornerstone. Photo courtesy of GL Historian Chris B. Ruli. Congratulations to National Patient Ambassador Riley who is not only a fellow Mason but now a new Noble. Riley's dad, Rick, presented his son with his fez at the Bahia Shriners Ceremonial.

In a medical emergency every second counts... especially when you are far away from adequate medical care.

In the event of a serious emergency, whether you are on the highway, on the job, on the football field, hunting, at the ranch, or at home you can depend on the dedicated pilots and flight crew at <u>Shannon AirMed 1</u>, the local AirMed Care Network provider, to be there. They are on duty 24 hours a day, 7 days a week, 356 days a year.

We have been providing this life saving service to rural communities since 1985. In recent years we have partnered with some of the leading air ambulance companies in the country and now provide service across 38 states, with 320 fixed wing and helicopter base locations across the county.

Give your family the peace of mind they deserve, become a AirMedCare Network member for as little as **\$65 a year**, and have no out of pocket costs should you need to be flown due to a medical emergency.
