POTE'S NOTES

Greeting Suez Family and Friends,

The cooler weather and the rain has been a blessing! I hope this message finds you all well with a feeling of optimism for the Fall and all it may bring.

We had a very nice Stated Meeting in September. It was good to see many of you come out for the fellowship. The Road Kill Cookers did a great job of the meal with special thanks to Ills. Sir Danny Crowder for donating the briskets. I believe a good time was had by all. The Divan introduced the recommended changes to our ByLaws that will be voted on in our October Stated Meeting. Please plan to attend October 19th. We

would love to have a good gathering of our Suez Family and friends.

We are planning the Fall Ceremonial for November 13 and 14 at the Temple. The date was originally posted online incorrectly but has been corrected, my apologies. Any of our Nobles that have not gone through a ceremonial are requested to attend and have some fun! The theme this year will be TOY STORY. Saturday night the 14th everyone should select a character from the movie Toy Story to dress up as (I wonder which one I should be?). It should be great fun so

put it on your calendar and plan to be here.

That's about all I have for now but I look forward to seeing all of you very soon. May God bless and keep us all safe and well.

Faithfully Yours,
Gaylin E Kinsey

Public Relations

I am so happy to see our clubs getting back up and having social gatherings. We have lots of things coming this fall and some changes expected in 2021. WE NEED MORE LOCAL CONTENT is what I am hearing from the Suez Divan. You heard it, too, if you were at Stated in San Angelo. We ask all of our clubs to appoint a person that can take pictures at their socials, parades, events and send that information to me so we can include it in our magazine, on our website and on social media. We can't promote your club if we don't know what is going on.

If you are doing a raffle, fundraiser, parade, or event, let us know so we can spread the word. Starting next year, you will not be seeing a monthly magazine. I believe that there will be only 5 issues starting in January 2021. This is being done to save some money. Also, please try and get some sponsors or advertisers that will run their ad in our magazine. We can create one for them if they don't already have one. We can even provide you with a breakdown of how many are sent out each time and the number of issues sent to each area in our realm. Another thing you will see in this issue is the Noble Academy. There will be four (4) 2-hour online events (Nov 19, Jan 14, Feb 25 and Jun 3) and one in person event (Apr 8-10) in Tampa. Those that do all four online events will get to Apprentice Level, those that only attend in person will earn Fellow status and those that do all five will be designated as a Master Class complete with certificate, pin and online badge. Details on the Noble Academy are in this issue. TAKE PICTURES. Send to jbccloud@yahoo.com

Dear Fellow Nobles,

The world has become a much smaller place. Shriners Hospitals for Children® has a global reputation for compassion and excellence, and continues to expand its efforts to reach as many children who may need the services of our unique health care system, regardless of where they live.

We have implemented an international strategic plan that will help us serve the children of the world more effectively and efficiently, and closer to their homes. Under the direction of Marjorie McEttrick-Maloney, RN, BSN, MPA/H, our chief nursing officer, and with guidance from a consultant, this plan streamlines our international services, and includes initiatives for many parts of the world, including Brazil, the Philippines, Canada and Mexico. Today, I would like to share some exciting developments in our strategy for the children of Mexico.

Shriners Hospitals has had a presence in Tijuana, Mexico, for many years. From 1998 to 2012, we held outreach clinics at Hospital Infantil de las Californias (HIC). In 2012, we opened an ambulatory clinic adjacent to HIC. We recently moved our clinic to within Hospital Angeles in Tijuana in order to provide additional services, including inpatient and more complex surgical treatments. Today, that clinic, which is under the direction of our Pasadena, California, location, serves more than 10,000 children annually, providing orthopaedic surgical care and outpatient clinic visits, including orthotics and prosthetics services.

Based on our desire to increase our presence in Mexico, and the success of our clinic in Tijuana, we are pursuing discussions with Hospital Angeles officials to establish similar clinics at their locations in Guadalajara, Monterrey and Juarez, Mexico. If these clinics also are successful and meet our goals of reaching and caring for the children who need our expertise, we will have additional conversations with a goal of further expanding these efforts. Hospital Angeles has approximately 30 locations throughout Mexico, which could provide an opportunity for Shriners Hospitals to establish a network of affiliated clinics.

Obviously, there will be many details to work out, from staffing to space allotments, but the possibilities are tremendous – and fit well with the mission and goals of Shriners Hospitals for Children, especially as we seek to increase our affiliations and access points in order to reach and treat more children effectively, efficiently and closer to their homes.

An important part of our international strategic plan is including educational programs for local medical professionals in our outreach efforts. Ultimately, this will allow more children to receive care in their home countries, rather than needing to travel to the U.S. for care. Of course, we will always refer children to our facilities if that is the best course of action for them.

These are especially challenging times, as we work within the restrictions caused by the pandemic, but they are also exciting times with great promise for the future of our unique, compassionate health care system.

I look forward to sharing information about our strategic plans for other international locations in the future.

Thank you for all you do to support Shriners International and Shriners Hospitals for Children.

Yours in the faith,

Jerry G. Gantt

Chairman, Board of Trustees

Hospital News

Shriners Hospitals for Children will be changing its' international brand to "Shriners Children's", however the new combined Houston and Galveston Hospital that will be located in Galveston will be a DBA "Shriners Hospitals for Children – Texas". The Houston hospital is scheduled to officially close Dec. 31, 2020, with the new SHC -TX scheduled to open January 18, 2021.

The Shriners Hospital system is spending \$45 million to combine these two historic facilities. According to Imperial Sir Jerry Gantt, President of Shriners Hospitals for Children, "this move is a commitment to transforming how our healthcare is delivered, while maintaining our mission of providing the highest quality of care to children with orthopedic, neuromusculoskeletal, cleft lip and palate and burns injuries". Shriners system just passed a \$921 million dollar budget for the 22 facilities in the system. The endowment for the entire system is approximately \$9 billion dollars.

Those attending the Imperial Session will be able to come to Galveston and tour the newest hospital in the system, Shriners Hospitals for Children – Texas.

Nolan County Fire

The Nolan County Shrine Club is glad to be back at it again! We will be back at the Blue Agave for our October social then back to the club in Sweetwater for our November social. We are so ready to get back to work. We are looking forward to seeing all of your faces. P.S. Hylton Lodge will be having a Fish Fry Fund-raiser on the 9th of October

Congratulations to Suez Noble Bob Rogers who was recently elected to serve as Treasurer and member of the Executive Committee of SHC-TX Board of Governors for 2021.

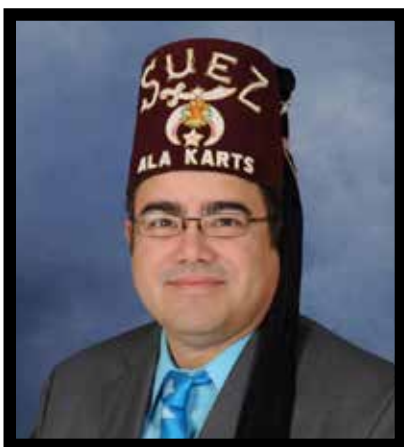

Our therapists incorporate play and entertainment tools to keep kids engaged throughout their sessions, while still working on strength and mobility. Mickey looked quite relaxed during physical therapy using the functional electrical stimulation (FES) bike, which transmits electrical pulses to improve the function of the muscles. He has remained motivated in his rehabilitation sessions, which also include occupational and recreational therapies.

The Latin American Shrine Association (LASA) received its charter during the virtual Imperial Session in July, becoming the first new Shrine Association in the last 50 years. Member temples include: Abou Saad (Panama), Al Rai'e Saleh (Puerto Rico), Amal (Brazil), Anezeh (Mexico), Bolivia (Bolivia) and Hikmat (Brazil). Noble Ricky Arrocha of Abou Saad Shriners was elected first president of LASA. Congratulations!

"Latin America has become one of the fastest growing regions for Shriners International and we're looking forward to expanding our membership, as we work together to help more children, in more places, closer to home," Arrocha said. "The sheer magnitude of the region presents its own challenges, but the implementation of video conferencing, clear objectives, our cultural similarities and yes, some good old-fashioned work, will allow us to get the job done."

Suez Noble James Hawkins is serving as a member of the SHC-TX Board of Governors.

Abilene Shrine Club

The Abilene Shrine Club met on Labor Day and had an Amazing Time. We were missing a few due to the holiday but those that came were a sight for sore eyes. It sure was great to actually get to see our friends, their ladies and family. Our Abilene Club family sends out our thoughts and wishes to two of our Nobles. Past

President Michael Sherman lost his father suddenly in early August and Noble Jerry Jones' Lady Theresa passed in September. Please keep both of these Nobles and their families in your prayers. Join us on the 1st Monday of every Month in Abilene. We also have our own Facebook page at www.facebook.com/abileneshrineclub

We want you to welcome Declan to the Shriner Family! He is our first facility dog to help patients reach individualized goals and cope with hospitalization. Just in time for National Service Dog Month! Our facility dog is a 2-year-old Labrador, expertly trained to work directly with patients by Canine Companions for Independence. Declan can work with patients during rehabilitative therapies and he can also sit with patients during painful or stressful moments to provide them comfort. Patients, families and staff have excitedly welcomed Declan to the hospital.

Midland Shrine Club

The Midland Shrine Club is back up and running. We miss your face. Come see us at our Monthly Social on the 3rd Thursday of the month at 6pm. Hard to believe that our club elections are two months away. If you haven't been in a while, come see the new sign we have out front.

A photo of a Masonic Parade in Midland, Texas in 1904. The first Masonic Lodge was founded in 1886, just five years after Midway, later named Midland, was founded.

Shriners Hospitals for Children is participating in the first Houston Open and Birdies for Charity program. The Houston Open (Nov 2-Nov 8) is proud to be a PGA Tour event that donates to local charities. Remember to select Shriners Hospitals as the Charity of choice, make a pledge or a flat donation. All donations go directly to Shriners Hospitals.

When you register to make a donation at the website www.houstonopengolf.com, it will ask you which charity you want to designate. They are listed as Shriners Hospitals for Children.

My Fellow Nobles,

As I communicated to you on September 9, 2020, we need to assist our Brothers in Louisiana and Iowa. Both of these areas have been pummeled with natural disasters in the midst of a global pandemic, and they desperately need our help.

Louisiana has been devastated by Hurricane Laura. Habibi Shriners in Lake

Charles, Louisiana, took a large hit from the storm, but the temple is “fixable;” the same cannot be said for many blue lodges in the area. Many Masons in Louisiana have lost their homes and their lodges due to severe wind and water damage. The photos below show some of the damage that Habibi Shriners experienced.

At about the same time, sustained winds in excess of 100 mph caused enormous damage across a wide area in the State of Iowa. This derecho weather system has left many Iowa Masons and Shriners with significant personal losses. There is an immediate need to assist Masons and their families as a result of these storms.

The Grand Masters of the Grand Lodges of Louisiana and Iowa have requested assistance through the Masonic Service Association of North America (MSA) for disaster relief. In response, the MSA established a disaster relief fund for Louisiana and Iowa, with all donations received to be transferred directly to the Grand Lodges of Louisiana and Iowa for distribution to Brothers in need.

I have been in personal contact with each of the Grand Masters, and have pledged our support. Habibi Shriners has already provided men and materials to assist area lodges with remediation – let us all join them in providing relief.

You and I share a sacred obligation related to relief of a distressed worthy Brother. However, in

addition to just simply satisfying our Masonic obligations, our primary motivation should be the aspiration of Brotherly Love. Our actions, especially in times like these, will define for each of us what the word “Fraternity” means.

I urge you to please donate generously today.

How to help Masons and Nobles affected by the hurricane:

Please make checks payable to MSA Disaster Relief Appeal & send to:

Masonic Service Association
3905 National Drive, Suite 280

Burtonsville, MD 20866

When remitting by check, please clearly mark that you wish the funds to go to the Louisiana Disaster Relief Appeal or the Iowa Disaster Relief Appeal.

Shriners International leadership remains in contact with the Grand Lodges of Louisiana and Iowa, along with the Potentates of the temples impacted by these natural disasters, and stands with them during these challenging times. We also ask that you please keep your fellow Brothers, Nobles and their families in your thoughts and prayers.

Yours in the faith,

James R. "Jim" Smith –
Imperial Potentate

The BeAShriner website is getting a major upgrade. There will be an online petition that acts more like a warm lead. Imperial will be asking us to promote this, have banners made and display at your clubs, hang them during parades, etc. The new campaign, which should be out soon will feature pictures of good family men and friends that are not wearing a fez. This will relate to those who are not yet Shriners. When a person signs up, their info will be vetted by Tampa and sent to the Temple and/or club closest to the interest person.

Noble Academy

The Shriners International Education Foundation is pleased to present a new and exciting resource. At the Noble Academy, Shriners and members of Masonic family organizations can participate in SIEF education programs and earn a Masters Class certificate, virtual badge and pin. The Noble Academy will equip participants with knowledge and practical skills they can apply to the real-world scenarios in their local temples.

The immersive experiences offered by the Noble Academy will help students build their knowledge in membership, marketing and communications through a certificate program. Participants can bring what they learned back to their temples, sharing ideas

and best practices.

As temples work to serve their communities and increase membership, the Noble Academy will provide the tools they need to adapt to a changing world.

In a medical emergency every second counts... especially when you are far away from adequate medical care.

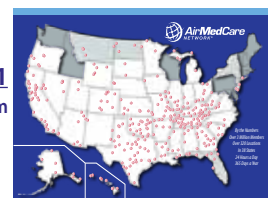

In the event of a serious emergency, whether you are on the highway, on the job, on the football field, hunting, at the ranch, or at home you can depend on the dedicated pilots and flight crew at [Shannon AirMed 1](#), the local AirMed Care Network provider, to be there. They are on duty 24 hours a day, 7 days a week, 356 days a year.

We have been providing this life saving service to rural communities since 1985. In recent years we have partnered with some of the leading air ambulance companies in the country and now provide service across 38 states, with 320 fixed wing and helicopter base locations across the county.

Give your family the peace of mind they deserve, become a AirMedCare Network member for as little as \$65 a year, and have no out of pocket costs should you need to be flown due to a medical emergency.

Daughters of the Nile

August and September 2020 have brought a trickle of impromptu socially distanced gatherings for the Daughters of the Nile. Many of us are getting desperate for some meaningful interaction with each other after months of quarantining, isolating, and Zooming. Sorry, but Zooming just wasn't the same as being able to see and talk in person. I have come to cherish these few and precious moments when I can be with the Ladies of the Household.

Our August 2020 session had a good turn out and using our masks and keeping social distancing when we could, much was accomplished. We were able to personally present a plaque to JPQ Jerri Young from her officers of 2019. Also, Pr. Rachel Davis presented a plaque to PQ Elizabeth "Betty" Johnson for her many years of dedicated service to the Temple. Now all stations are duly installed with the exception of Pr. Chaplain.

The Queen's Tea and Supreme Appointee's Party was Held at the Abilene Shriner's Club. It was a humbling experience as "The Entertainers" and "Whirly Girls Clownettes" presented Steppingstone Certificates honoring me as this year's Queen. With sweet gifts and thoughtful words, I will cherish these precious and wondrous lifetime moments always as we continue onward with this year's journey.

Ziphron Temple No. 100 is proud to announce the "Coming Out" of the Ziphron Whirly Girls Clownettes. Here they are showing what they learned at the August 22nd, 2020 Clown Seminar hosted by Kathy Keaton and Linda Greene
